Sorry that yesterday did not work out – appreciate it was short notice.

We are now on quite a strict lockdown, so I am not sure if I will be able to visit in person for a while. But perhaps we could have a phone call early next week and talk through things.

**Many thanks,**

Morning [REDACTED] **[Cabinet Office]**

Many thanks for following up.

If I may I think it would be worth me coming in to talk through what you, and we, are thinking by way of business engagement and campaigns. As I said to [REDACTED] **[Cabinet Office]** yesterday, when we met [REDACTED] **[Cabinet Office]** last October (a long time ago now) we agreed that we would be happy to be one of the proactively helpful energy companies. It would be good to talk through what we see that might mean, and how it might align with your views.

I will be in your part of town tomorrow for another meeting 9-11, but am then free after that and can pop in. Maybe 1230 ish?
