Hello

Yes, timings should be as per the original Nov date, which I believe was 08.30 to 10am (we need to start early to accommodate staff who need to be on the museum floor by 09.45 / 10).

With regard to when - it's just as soon as diaries permit really. It could be Jan if we can't fit it in before Christmas.

Best wishes

Hi [REDACTED]

I think [REDACTED] is best to answer this – [REDACTED] when are you thinking for each of these dates, and in terms of timing of the event, are we thinking 1 to 1.5 hours, in the morning, as per the original date?

Thanks
