

**Funder Q&A Session with BP**

**Friday 17 January**

Cubby Broccoli Cinema, National Science and Media Museum

08.15 - 08.30: Tea, coffee and pastries

08.30 – 10.00: Q&A

You are invited to come along and engage with one of SMG's long-term corporate partners and Founding Partner of the Science Museum Group Academy – BP. [REDACTED] will share some insights from the energy sector but would also like to hear from SMG colleagues.

This is an opportunity to understand why the energy sector sponsors cultural organisations and to ask any questions you have, whether on energy transition or the broader challenges of climate change, to contacts in the energy sector. There will also be an update on SMG's own work on sustainability.

For those who can't make this session, there will be another session held on Monday 20<sup>th</sup> January at the Science Museum, from 08.15 to 10.00 in the Lecture Theatre.

Please note china cups can't be brought into the cinema but attendees are welcome to bring a reusable cup.

**MANAGERS:** please communicate to colleagues without regular access to email.

Best,

[REDACTED]
