

Points from SRM meeting with BP on 30 July 2019.

- BP briefed on their financial results, which had been published that morning (pretty positive).

Following recent exchanges, [REDACTED]

Section 43

- [REDACTED] welcomed [REDACTED] interest in meeting (*I have been in touch since with [REDACTED] about setting this up*)

Section 40(2)

New Ministers

BEIS – They have sent a congratulatory letter. [REDACTED]

Section 43

- FCO – [REDACTED]
- HMT – the company commented that Simon Clark (MP for Middlesbrough) has supported zero carbon and knows about the Teesside CCUS project.

Section 43

International

Persian Gulf – BP were aware that the situation continued to develop [REDACTED]

Section 43

Mauritania/Senegal – BP said business was progressing, [REDACTED]

Section 43

- HMG Africa Investment Summit on 20/1/20 – [REDACTED]

Section 43

Latin America – [REDACTED]

Section 43

- Eastern Med: [REDACTED]

Section 43

Section 43

EWP/CCUS

- BP had invested time/effort in the EWP and were keen to know whether it would still be taken forward, in whole or part.
- BEIS [REDACTED] was keen to progress things following the publication of two consultation docs the previous week – would be happy to discuss comments. [REDACTED]
- BP expected to attend the Norwegian CCUS event on 5/9/19.

Section 40(2)

Section 43

Ultrafast EV charging

[REDACTED] National rollout would start on 2/8/19, [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

Section
43.

Arts sponsorship

- BP have been proud of their long-term arts sponsorship and disappointed by the criticism they are receiving. Peter Mather was to debate the issues around BP's sponsorship with activists on on-line media.

Methane emissions

[REDACTED] BEIS commented on current interest in this and [REDACTED]
[REDACTED] as a contribution to COP26. [REDACTED]
[REDACTED]
[REDACTED]

Section
43

AOB:

- Unusually, little mention of UKCS on this occasion.
