- c) is subsequently disclosed to the recipient Party without any obligations of confidence by a third party who has not derived it directly or indirectly from either of the other; or
- d) the disclosure of which is required by law or by an order of a court of competent jurisdiction.

18.3 Each Party agrees that it will take all reasonable steps to avoid disclosure or use of the confidential information in order to prevent it from falling into the public domain or the possession of unauthorized persons. If either Party becomes aware of any misuse or

misappropriation of such confidential information, it shall, as promptly as practicable, notify the other Party in writing.

- 18.4 Subject to Clause 19, if a Party is requested or required by law, rule, regulation, or legal, regulatory or administrative process or by a government body or court of competent jurisdiction to disclose any confidential information, such Party agrees (except as may be prohibited by applicable law) to give the other party notice, as promptly as practicable, so that such Party may contest the disclosure or seek a protective order or other appropriate remedy. If in the absence of a protective order or the receipt of a waiver hereunder, the Party receiving such request is compelled to disclose the confidential information by applicable law, such Party may disclose only the part of the confidential information that it is legally required to provide.
- 18.5 Each Party agrees to transmit and make available any confidential information received by it only to those of its employees, agents and contractors who need to have such confidential information for purposes related to the exercise of rights or performance of obligations under this Agreement. Each Party shall advise such employees, agents and contractors of the nature of the confidential information and warrants that such employees will comply with the terms set out in this Agreement.
- 18.6 The confidentiality obligations of all Parties under this Clause 18 shall survive the expiry or termination of this Agreement for whatever reason.

19. Freedom of Information

- 19.1 SMG is subject to the Freedom of Information Act 2000 ("FOIA") and the Environmental Information Regulations 2004 ("EIR"). If SMG receives an FOIA or EIR request that concerns the disclosure of information supplied directly or indirectly by or relating to the Sponsor, it shall immediately notify the Sponsor of the disclosure request where permissible, so that the Sponsor may review and advise on such disclosure and work with SCMG toward the necessary steps in relation to the handling of any sensitive information within the disclosure request to the extent reasonably practicable with SCMG being responsible for determining whether any exemptions from disclosure apply.

20. Due Diligence

The Parties acknowledge and agree:

- 20.1 SCMG actively seeks to work in partnership with external organisations and individuals to achieve shared objectives. To ensure SCMG only solicits, accepts, and stewards gifts from acceptable sources, it maintains a due diligence process which is detailed in its Ethics Policy.
- 20.2 The Board of Trustees of SCMG have approved the inclusion of the independent Transition Pathway Initiative tool (the "**TPI Tool**") to assess sponsors, when appropriate, as part of such due diligence process. The TPI Tool assesses organisations' preparedness for the transition to a low carbon economy and indicates that they are on a journey to decarbonise in line with SMG's values. For those companies that are rated on the TPI Tool, SCMG encourages all prospective and current partners to work towards 'Level 3 or better' on the TPI Tool's 'Management Quality Index'.
- 20.3 Due diligence shall be reviewed by SCMG on an annual basis so that SCMG can continue to assess its external partners in line with its due diligence expectations.

21. Dispute Resolution

Subject to Clause 26, any dispute arising under this Agreement shall be settled as follows:

21.1 Internal Mediation

- a) Subject to Clause 21.3 below, all dispute, controversy, difference or claim arising out of, or in connection with this Agreement between the Parties, including the existence, validity, interpretation, performance, breach or termination hereof or any dispute regarding non-contractual obligations arising out of or relating to it shall be referred in the first instance to the [REDACTED] of the Science Museum Group and [REDACTED] of Adani North America Inc. who shall enter into good faith negotiations to attempt to settle such dispute within 30 days of either party receiving from the other a notice which describes the matter in contention; and
- b) if the negotiation at sub-Clause 21.1. fails, the dispute shall be finally settled by arbitration in accordance with Clause 21.2.

21.2 Arbitration

- a) Subject to Clause 21.1, and if a dispute referred to negotiation in this manner is not resolved within 30 days of reference to the internal negotiators, either Party may refer any such dispute for resolution under the rules of the London Court of International Arbitration ("LCIA") in force at the date of such referral which rules are deemed to be incorporated by reference into this clause. The number of arbitrators shall be one who shall be mutually appointed by the Parties (failing which the LCIA rules shall apply). The seat of arbitration shall be in London. For the avoidance of doubt, this Agreement shall be governed by the laws of England and Wales. The parties acknowledge that service of any notices in the course of such arbitration at their addresses as given in this Agreement shall be sufficient and valid. All submissions and awards in relation to arbitration hereunder shall be made in English and all arbitration proceedings shall be conducted in English.
- b) The arbitration award shall be accepted by the Parties as final and binding and the Parties shall act accordingly.

21.3 Injunctive Relief

Clauses 21.1 and 21.2 shall be without prejudice to the rights of termination set out in this Agreement and in addition shall not prevent any Party from applying for injunctive relief before any court of competent jurisdiction, in the case of:

- a) breach or threatened breach of confidentiality;
- b) infringement or threatened infringement of any of the Party's intellectual property rights; or
- c) infringement or threatened infringement of the intellectual property rights of a third party, where such infringement could expose SCMG, the Trustees or the Sponsor to liability.

22. Force Majeure

- 22.1 No Party shall be liable to the other in respect of anything which, apart from this provision, may constitute a breach of this Agreement arising by reason of a Force Majeure Event unless and to the extent directly attributable to the negligence of that Party.

- 22.2 Each Party shall give notice as soon as practicable to the other upon becoming aware of a Force Majeure Event which prevents that Party from performing its obligations under this Agreement, the likely duration of such event and of its cessation. The time for performance of any obligation prevented or delayed by a Force Majeure Event (including the Gallery opening date) shall be extended by the period for which such Force Majeure Event continues to prevent or delay performance. Such obligations of the notifying Party that become impossible to perform due to such Force Majeure Event along with their corresponding obligations of the other Party shall be suspended for the duration of the Force Majeure Event.
- 22.3 If either Party gives to the other such notice as is referred to in Clause 22.2, the parties shall attempt (so far as reasonably within their power) to mitigate the effect of the matters referred to in such notice and, in particular, shall endeavour to agree a solution to the consequences of the matters constituting a Force Majeure Event. Each Party shall in addition use their reasonable endeavours to minimise the effect of the Force Majeure Event on its performance of its obligations under this Agreement.
- 22.4 If the Force Majeure Event notified by either Party continues for more than one hundred and (180) days, the other Party may, at its option, terminate the Agreement without any outstanding liabilities whatsoever provided however, in the event of such termination, SCMG shall refund the Sponsorship Fee to the Sponsor (to the extent that it has not been spent or committed) together with interest (if any has so accrued in respect of such refunded amount of the Sponsorship Fee in SCMG's bank account) within sixty (60) days of the date of such termination.

23. Cooperation

The Parties acknowledge and agree that (i) the terms of this Agreement are based on the assumption that the Science Museum will remain open to the public and that there will be no further closure due to Covid-19; (ii) SCMG and the Trustees have been obliged to implement revised arrangements for re-opening to accommodate government guidelines on Covid-19 and may request reasonable adjustments to the scope of the Agreement as the situation attributable to Covid-19 evolves; (iii) the Sponsor shall not unreasonably withhold or delay agreement to any such requested adjustments or impose unreasonable conditions on their implementation; and (iv) in the event of further closure due to Covid-19 the Parties will work together and negotiate in good faith fair and reasonable revised terms in the light of such period of closure.

24. Third Party Rights

A person who is not a party to this Agreement has no rights under the Contracts (Right of Third Parties) Act 1999 to rely upon or enforce a term of this Agreement but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

25. Trustees' Confirmation

The Trustees hereby confirm that the terms of this Agreement are acceptable to it but the Trustees do not, by entering into this Agreement, assume any of the obligations of SCMG under this Agreement. The Trustees are a party to this Agreement for the purpose of satisfying the prescribed requirements of the Charitable Institutions (Fundraising) Regulations 1994 made under section 59(6) of the Charities Act 1992 and for the purpose of granting a licence to use the Museum Marks as set out in Clause 10.3 or enforcing its rights (as opposed to those of SCMG) in connection with any breaches of such clause and for no other purpose.

26. **Survival**

Any provision of this Agreement which expressly or by implication is intended to come into or continue in force on or after termination or expiry of this Agreement (including Clauses 10, 11, 12.4, 12.5, 18, 19 and 21) shall remain in full force and effect.

27. **Applicable Law**

This Agreement and any dispute arising under or in connection with it shall be construed under English law to which all Parties hereby irrevocably submit.
