Hi [REDACTED]

Below is a short note to go from Hartwig to [REDACTED], following their meeting yesterday. We will then arrange a time for [REDACTED] to visit Hokusai and to speak with [REDACTED] again.

Many thanks  
[REDACTED]

Dear [REDACTED]

It was wonderful to see you at the BM yesterday and to have the opportunity to discuss the future - particularly as our two organisations move towards a greater focus on sustainability. I look forward to continuing the discussion. We touched on timelines; [REDACTED] will follow-up to have a quick conversation about when we might arrange to have the brainstorm with your team.

In the meantime, we will keep you informed of events at the Museum and we'll be in touch to find a time for you to visit the *Hokusai* exhibition.

Thank you once again for your support of the British Museum and I look forward to seeing you again soon.

With best wishes  
Hartwig
