To

Sir Ian Blatchford, FSA
Director & Chief Executive,
The Science Museum Group

Dear Sir Ian,

Congratulations on the success of the first ever UK Global Investment Summit; with GBP 10bn committed at the summit, it is a testimony of UK being one of the most attractive investment destination for global investors.

It is deeply humbling and inspiring to be part of the Science Museum's journey towards igniting the Climate change revolution. As you have eloquently put it in your public statement, we are looking forward to The Adani Green Energy Gallery being a catalyst that will help curious minds to commit themselves to technology & innovation, to facilitate one of the greatest energy transition that the world needs to undertake in this century.

"Green is Good" – the phrase used by the British Prime Minister Boris Johnson during the plenary session is aligned to our Group's values of "Growth with Goodness", where we stay committed in balancing the economic growth agenda, with a sustainable and greener planet. The belief in free enterprise, free markets and innovation will pave the path for the world to realize the Net Zero 2050 targets.

Let me take this opportunity to extend a warm invitation to you and your team to visit us at Adani Corporate Headquarters in Ahmedabad, Gujarat during your next visit to India. It will be our honour to host you.

Regards,

Dear [REDACTED]

This is with regards to the date of the signing ceremony and the announcement to be made thereafter. We had discussed in the previous call that the ceremony will be on the 19th.

Instead, we would request you to kindly set it up for pre-lunch on the 18th morning (around noon). This was discussed internally, and we believe that the timing might be ideal for us to propagate the message in India right before the start of the conference on the 19th.

Our Chairman Mr. Gautam Adani and Adani Foundation Chairperson Dr. Priti Adani will be present at the ceremony. Also, [REDACTED] and [REDACTED] will accompany them. Considering potential restrictions related to entry into the museum due to the conference, we might need to make appropriate arrangements for [REDACTED] and [REDACTED].

Please let us know how to work this out. If required, we can get on a call to discuss details.

Regards,

Dear [REDACTED]

We've spoken internally and unfortunately an announcement on the 18th will not be possible.

As you know, the Museum is doing everything it can to try and facilitate a prestigious moment for this announcement with VVIPs, and this would not be feasible the day before the conference. Making the announcement during such a significant event will also add weight to our announcement, therefore we would like to proceed with the 19th as discussed earlier this week.

Many thanks,
