Dear Sarah,

FOI/2022/0085

Thank you for your Freedom of Information request received 21st December 2022.

The Due Diligence report on Adani Group dated December 2020 was not shared with the Board of Trustees as no partnership was ever proposed for a corporate sponsorship specifically with 'the Adani Group'.

The findings of the Due Diligence report on Adani Green Energy dated January 2021 were shared in writing with the Board of Trustees in February 2021 (see attached paper "21.02.05 – Atmosphere Gallery paper") and discussed by the Board of Trustees in their meeting in March 2021. A further discussion was held by the Board of Trustees in their meeting in October 2021.

The Due Diligence report on Adani Green Energy dated June 2022 (this was previously shared with you - "20220629_AdaniGreenEnergy_DueDiligence") was shared with and discussed by the SMG Partnership Panel at their meeting in September 2022. The SMG Partnership Panel was established in January 2022 to provide advice and recommendations to the Board of Trustees and Executive on SMG's Development activities within the framework of the SMG Ethics Policy.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: freedomofinformation@sciencemuseum.ac.uk

Please remember to quote the reference number **FOI/2022/0085** in any future communications about this request to help us respond as quickly as possible to your enquiries.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision (please be aware that the Commissioner will be unlikely to make a decision until you have been through our internal complaints procedure first). The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely,

FREEDOM OF INFORMATION TEAM

Science Museum Group
